FILOSOFIEN BAK MATKONSEPTET

Vi mener at all mat skal kunne deles. Vi er opptatt av den gode samtalen rundt bordet, og gode matopplevelser fra alle verdenshjørner.

Fra vår a la carte meny, anbefaler vi 1 til 2 retter p.p. Ønsker du en søt eller frisk avslutning på måltidet, så klemmer du til med en av våre desserter. Alle våre retter er til for å «deles».

/ THE PHILOSOPHY BEHIND THE FOOD

We believe that all food should be shared. We believe in that good conversation that happens around a table with food and friends. We believe in good food experiences from all the corners of the world.

In our a la carte menu, we recommend 1 to 2 dishes per person. If you want a sweet or refreshing end to your meal, please try one of our desserts! All our dishes are made to be shared!
